

Together with the Swiss NGO HEKS EPER, ABCO carries out the project of “Market Opportunities For Livelihood Improvement” (MOLI in Kakheti) funded by SDC. Project facilitates to development of local livestock and dairy production in 5 target districts of Kakheti region by improving access to necessary services (veterinary, machinery service, milk processing, mix-feed production, etc.) for local farmers. Project activities focus on supporting capacity building of local service providers in order to increase the range and quality of their services and make them more accessible and affordable for customers;
