

2006-2008: Business Training and Consulting programs for the “Georgia Returns Project” (GRP)

2006-2008: ABCO implemented the Business Training and Consulting programs for the participants of the “Georgia Returns Project” (GRP) implemented by World Vision through funding from Swiss government which provided for facilitation to the assisted voluntary return and reintegration to Georgia of those asylum seekers from Georgia, who have applied for asylum in Switzerland. Within the above training programs, during the period of September 2006 – March, 2008, ABCO-Georgia delivered business training to total number of 40 participants and provided qualified assistance in elaboration of total of 38 business plans by program recipients.
